

# PROTECT YOUR FAMILY WITH AFFORDABLE HEALTH INSURANCE

Due to the COVID-19 pandemic, individuals and families can enroll in health insurance coverage for 2021 through [healthcare.gov](https://www.healthcare.gov) during a special enrollment period (SEP) from February 15 to May 15, 2021.

Whether you missed the open enrollment period for health insurance last year or are currently enrolled in the Affordable Care Act (ACA) and want to switch plans, our Phelps Health EnrollU team can help you and your family get the coverage you need.

**You do not have to be a Phelps Health patient to receive assistance with EnrollU. Our services are offered free to the community.**
