

Entrance Hours and Patient/Visitor Screening

Due to visitor restrictions at all of our facilities, effective March 20, the following procedures have been implemented:

- The East Entrance of the hospital will be an employee-only access point.
- At the Waynesville Medical Plaza, patients and employees must use the North Entrance, not the Main Entrance, to enter the building.
- The hours at the Medical Office Building have changed to 6:30 AM-5:30 PM Monday through Friday.
- Hours at the Delbert Day Cancer Institute are 7:00 AM-4:30 PM Monday through Friday.
- The hospital's Main Entrance and North Entrance hours are from 5:00 AM-9:00 PM every day.

Employees have been deployed to stations at these locations and are screening patients and visitors upon entry. Employees who are wearing badges will not be screened upon entering the facility at this time, though this could change in the near future.
