

OB/GYN | PHELPS HEALTH—FORBES BEST-IN-STATE EMPLOYER

We're seeking a full-time **OB/GYN** who shares our CARES values: Compassion, Accountability, Respect, Excellence and Service.

Core Responsibilities:

- Conduct holistic evaluations of physical, reproductive, mental, emotional and social well-being in female patients across reproductive ages (adolescents to menopause)
- Diagnose, treat and manage common acute and chronic women's health conditions (e.g., prenatal complications, endometriosis, urinary incontinence), including minor in-office procedures like IUD insertions or endometrial biopsies
- Carefully monitor prescriptions (e.g., hormonal contraceptives, fertility medications), manage potential drug interactions and tailor regimens based on reproductive stage, pregnancy status and comorbidities
- Collaborate with nurses, advanced practice providers (APPs), midwives, social workers, therapists and specialists to deliver integrated care, including timely referrals for complex cases
- Offer personalized women's health screenings (e.g., cervical cancer, breast exams, bone density), vaccinations (e.g., HPV and flu vaccines during pregnancy) and preventive counseling for family planning and healthy reproductive aging
- Assess reproductive and daily functioning, recommend assistive devices, and advise on safety
- Explain women's health conditions, treatment options and preventive strategies in clear, empathetic and easy-to-understand ways

Location

- This position is located within a hospital-attached clinic in Rolla, Missouri.

Qualifications and Experience:

- Board-eligible or board-certified physician in obstetrics and gynecology
- Experience serving as a collaborating physician with APPs

Position Highlights:

- Established clinic with immediate patient volume
- DaVinci XI with surgical block time opportunities
- 1:4 call or less
- Hospital-attached clinic with close proximity to Labor and Delivery floor
- Freshly renovated, modern clinic space and equipment (April 2026)

- Collaborative, experienced physicians, nurse practitioners and midwives on staff
- Flexible call schedule with Hospital support for coverage

Our Competitive Edge:

- Financially sound and poised for future growth
- Supportive leadership and team-oriented culture
- Access to state-of-the-art equipment and advanced technology, including Epic EMR and DAX Copilot
- Hospital-attached clinics within a system that values employees and work-life balance
- Opportunities for leadership and employer-paid professional development
- High-demand service with immediate patient volume in rural south-central Missouri

Position Benefits:

- Guaranteed base salary for 3 years, plus wRVU incentives
- Signing bonus
- Relocation allowance
- Residency stipend available
- Immigration assistance
- Student loan repayment program
- Generous paid time off
- 401(k) and pension
- Comprehensive benefits

Location Highlights:

- Endless outdoor activities, fine dining and more in the breathtaking Ozarks, with nearby Mark Twain National Forest
- Low cost of living, top-rated public schools and a low crime rate for family-friendly living
- Home to Missouri S&T, Missouri's No. 1 public university for ROI
- Welcoming atmosphere with big-city amenities, just 90 minutes from St. Louis
