

# OTOLARYNGOLOGIST | FORBES BEST-IN-STATE EMPLOYER

We're seeking a full-time **Otolaryngologist** who shares our CARES values: Compassion, Accountability, Respect, Excellence and Service.

## Core Responsibilities:

- Conduct holistic evaluations of head and neck symptoms, assessing physical, sensory, communicative and psychosocial well-being in patients of all ages
- Diagnose, treat and manage common acute and chronic ENT conditions (e.g., ear infections, sinusitis, sleep apnea, voice disorders)
- Perform minor in-office procedures
- Carefully monitor prescriptions (e.g., antibiotics, steroids), manage potential drug interactions and tailor regimens based on patient age, comorbidities and procedural needs
- Collaborate with nurses, advanced practice providers (APPs), audiologists, speech-language pathologists and other specialists to deliver integrated care, including timely referrals for complex head and neck cases
- Offer personalized ENT screenings (e.g., audiometry, nasal endoscopy, head/neck cancer exams) and preventive advice to promote hearing preservation and sinus health
- Assess ENT-related daily functioning (e.g., hearing, balance, swallowing), recommend assistive devices (e.g., hearing aids) and advise on safety (e.g., fall prevention in vertigo, voice rest)
- Explain ENT conditions, treatment options (including surgical) and preventive strategies in clear, easy-to-understand ways, using anatomical models or diagrams

## Location

- This position is located within a hospital-attached clinic in Rolla, Missouri.

## Qualifications and Experience:

- Board-eligible or board-certified physician in otolaryngology
- Experience serving as a collaborating physician with APPs

## Position Benefits:

- Guaranteed base salary for 3 years, plus wRVU incentives
- Signing bonus
- Relocation allowance
- Residency stipend available

- Immigration assistance
- Student loan repayment program
- Generous paid time off
- 401(k) and pension
- Comprehensive benefits

## Position Highlights:

- Established clinic with immediate patient volume
- Strong allergy and sleep programs with established patient demand
- Collaborative, experienced audiologists (2), nurse practitioners (2) and physicians (2) currently on staff in the clinic, along with other experienced surgical colleagues
- Modern, updated clinic facilities and equipment
- Flexible call schedule with Hospital support for coverage

## Our Competitive Edge:

- Financially sound and poised for future growth
- Supportive leadership and team-oriented culture
- Access to state-of-the-art equipment and advanced technology, including Epic EMR and DAX Copilot
- Hospital-attached clinics within a system that values employees and work-life balance
- Opportunities for leadership and employer-paid professional development
- High-demand service with immediate patient volume in rural south-central Missouri

## Location Highlights:

- Endless outdoor activities, fine dining and more in the breathtaking Ozarks, with nearby Mark Twain National Forest
- Low cost of living, top-rated public schools and a low crime rate for family-friendly living
- Home to Missouri S&T, Missouri's No. 1 public university for ROI
- Welcoming atmosphere with big-city amenities, just 90 minutes from St. Louis
