

PATIENT PARKING MAP—CONSTRUCTION UPDATE

Due to the construction of the new Emergency Department, some parking areas and streets are closed, as indicated on the map above.

Phelps Health's color-coded parking lot system provides navigation to patients and visitors as they travel to specific areas and buildings on the Phelps Health campus. Each entrance, along with the associated parking lot, is color-coded using the following key:

Main Entrance (Yellow Lot) | North Entrance and Medical Office Building (Green Lot)

Emergency Department (Red Lot) | Delbert Day Cancer Institute (Purple Lot)
